Amazing Vibe at Ebenezer Night Markets Adelaide

BY COCKTAIL REVOLUTION ON JANUARY 31, 2017

LATEST, OUR SAY

We love a good vibe, and we've found it at the Ebenezer Night Markets at Adelaide's East End of town. We first discovered these markets a couple of summers ago and are excited that they are returning over the next 6 weeks to our favourite part of town.

Adelaide's perfect, balmy summer nights seem to be specially ordered for the Friday or Saturday nights when the markets are held. The pretty, up-market laneway of Ebenezer Place gives off a relaxed vibe as crowds mill under hanging, festoon street lights. Browsing at fashion and artisan craft stalls is irresistible! Popular, quality food stalls showcasing some of the best produce for which Adelaide is famous do a brisk trade, while the whole area seems to sway in time with gently pumping DJ beats.

From mid-Feb, Adelaide's hugely successful Fringe Festival will coincide with the Ebenezer Night Markets giving a complete festival feel to the whole East End. There's absolutely no better place to be in Adelaide at that time – it's simply electric!

Let's put it this way, the Ebenezer Night Markets are so good, they've just been awarded "BEST COMMUNITY EVENT OF THE YEAR" by the City of Adelaide. Enough Said??

Pick one or all of the following dates and we'll see you there after 5.30pm! You can't miss us. We're the hopeless people-watchers!!

For visitors to Adelaide, you'll find the Ebenezer Night Markets at Ebenezer Place, running between Union Street and Rundle Street East.
